1.

Cut a piece of textured paper 2.5 cm smaller all the way around than the front of the greeting card. Write a text on the textured paper with a Uni Posca marker.

2.

Attach this to the front of the greeting card with double-sided adhesive tape.

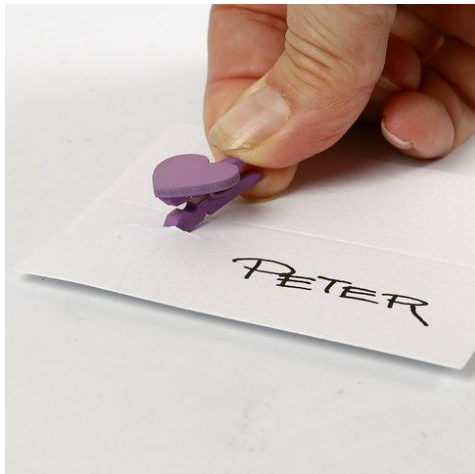

3.

Tie satin ribbon with a tied-on wooden heart around the greeting card for decoration.

Another variant

Matching place cards.

1.

Write the name with a Uni Posca marker. Cut a groove in the front of the place card and attach a small peg with a heart in the groove.

Another variant

Satin ribbon with a heart for a napkin ring.
