**1**

Print and cut out the template which is available as a separate PDF file for this idea. Copy the outline onto paper, cut out and draw a design according to your own imagination and glue on a printed photo if you wish. (Remember to decorate on the correct side of the paper).

**2**

Attach the paper onto the inside of the transparent case using small pieces of Power Tape.

### 3

Decorate the outside of the case with self-adhesive rhinestones.
